Welcome!

Dear Colleagues,

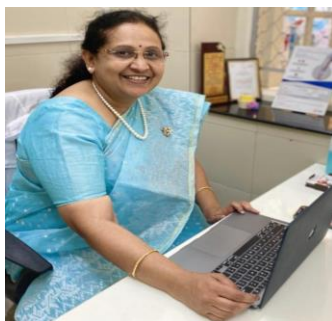

The department of Pediatric Hematology Oncology (DPHO) at BJ Wadia hospital for Children would like to invite you all to attend a very unique & the very first Pediatric Rare Benign hematology Conference (PRBC), Mumbai 2023.

Faculty for the conference includes Stalwarts from the field of Pediatric hematology from across the country. The pattern of the conference will include interesting and challenging cases in benign hematology with discussion on practical learning points. We also have on board eminent experts from NIIH & beyond to guide us on laboratory aspects of hematology.

Learning becomes fun when we meet each other and discuss on expanding horizons in the ever progressing field; hence the panel has decided to conduct it on only physical platform.

So join us on the pre monsoon weekend to enjoy the academic feast and the breezy seashore before it pours!

Register asap!
